

Introducing AAA Auto Sales Employee pricing program!

AAA Auto Sales would like to introduce a great employee benefit!

Current employees of AAA Carolinas are eligible for a special employee-only pricing program. AAA Auto Sales will sell any new or used vehicle to an employee at cost plus a \$500 processing fee*. This means employees pay NO dealer markup. The processing fee covers documents, transport, preparation and administrative fees. A typical dealer charges an average of \$700 – \$1,500 for processing fees alone. Don't pay dealer markups – purchase your next vehicle from AAA Auto Sales.
